

From the hands of
Tushar Nivandikar

Tushar Vijay Nivandikar is an Artist, was born in Chiplun, Maharashtra, India and now lives in Pune, Maharashtra. He is self-thought, professional fine artist and works in all kinds of mediums and subjects. Tushar has brought us a different side of abstract art. It goes without saying that Tushar knows the magical and vibrant side of art. The colors, the composition, the complexity and the simplicity everything appears to be speaking with the viewer in his abstracts.

Tushar Nivandikar has graduated Graphic Design studies. Currently he works in the field of design and art. He considers painting as his main passion. Therefore, he opened his own studio in 2010. In the studio he constantly organizes painting workshops for various other artists. Tushar's artistic point of view shows the surrounding from different perspectives. It depicts different shapes and angles of various backgrounds. In paintings he uses decorative elements what makes his art eye-catching and picturesque. Tushar's works were exhibited in Pune, New Delhi, Mumbai and other India's cities. He is also participated in Sanskritik Mandala project for the second time which is held in Vilnius, Lithuania, Europe and Index Art Gallery, World Trade Center, Dubai.

Studio : 3D Color Strokes becomes service provider to the general public, through production and transmission of specialized knowledge. Team is formed when individuals with a common taste, preference, liking, and attitude come and work together for a common goal. Team play a very important role in organizations as well as our personal lives. 3D Color Strokes is a Design Studio. 3D Color Strokes has its focus on the promising future of Graphics & Art Work. This is unique design studio with its all fascinating activities and a commitments towards art is remarkebale. 3D Color strokes is feel, passion and love for art, which brings creative to the art floor.
